The image shows a screenshot of Adobe Acrobat Reader displaying a Preventive Maintenance Checklist. The document is titled "PM Q2\_2022 ICT.pdf" and is being viewed in the "Fill & Sign" mode. The checklist is for "ICT Department, N.C.R. RUBBER INDUSTRY CO., LTD." and is dated "24/05/2022". The user "Admin" is performing the check at the "ICT-BKK" section. The checklist is divided into "HARDWARE" and "SOFTWARE" sections. The hardware section lists 16 items, and the software section lists 3 items. A red box highlights the "IAb" button in the top toolbar and a text input field in the "REMARK" column of the hardware section, indicating the process of adding a comment.
